

National Engineers Week San Diego 2010 Awards Banquet

SAN DIEGO COUNTY'S THIRST FOR WATER

Friday February 19, 2010, 6–9:30pm

The Joan B. Kroc Institute for Peace & Justice

University of San Diego Campus

5998 Alcala Park, San Diego, CA 92110

(Free parking at the Joan Kroc Institute and self parking in any adjacent student or faculty lot or street space after 5pm)

Keynote Speaker: Frank Belock, PE *Getting Water to Southern California*

Frank Belock, Deputy General Manager of the San Diego County Water Authority, will provide a presentation on the history of water in San Diego, what the current drought situation means for residents and businesses, and what the Water Authority is doing to ensure a reliable supply into the future. Mr. Belock will discuss specific projects that the Water Authority is working on including the San Vicente Dam Raise, San Vicente Pipeline, and Pipeline

Relining projects around the county, and what the recent approved legislation will mean for the funding of these projects as well as future supply reliability.
